What I'm Thankful for!

I'm thankful for my family. I'm thankful for my family because they care about me. They always support me in anything I do. They cook me food for me. They got my back. I'm also thankful for my community. I'm thankful for my community because there are many good people in the community. There a lot of helpers in the community. In the community you can meet new people. I'm thankful for my school, I'm thankful for my school because they are so kind to teach me. I thankful for my friends. I thankful for friends because they support me. They tell me not to give up. Sometimes They make me laugh. This is what I'm thankful for!
