

Meliana's Baez

Why I drew them

I drew my mom because she helped me through alot like with homework.

I drew my big cousin because when I get hurt and I cry she tried to make me laugh.

I drew my dad because when I was sick he did everything he could to make me feel better.

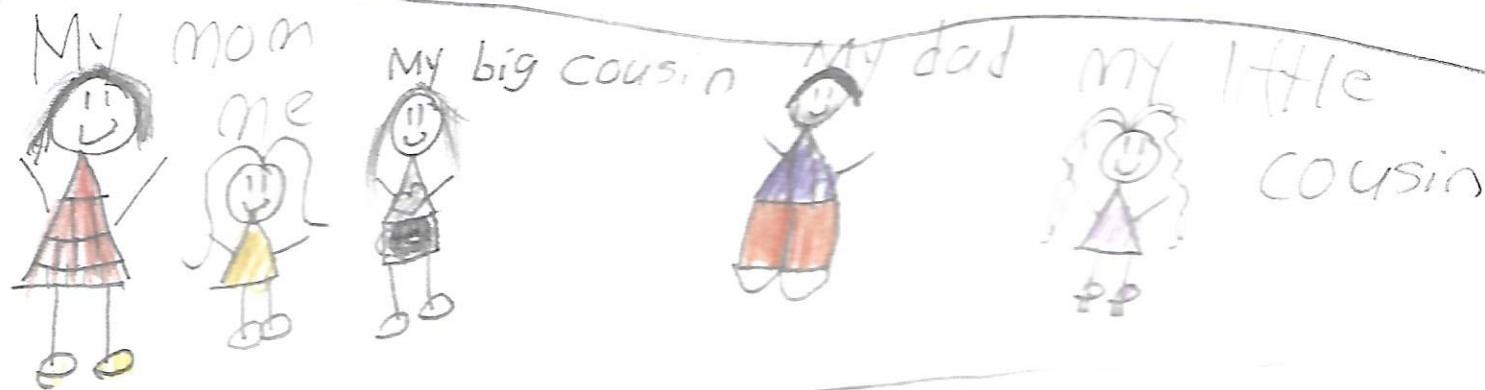

I drew my little cousin because she there for me like when I was bored she played with me.

I drew my community because they make sure im safe.
