Thanks for giving

For Thank giving
I'm thankful for everybody
who loves me and gave
that did the right
thing.

I also care about
my friends. On one Thanks-
giving I had a party
at my mom's shop. I
also thankful for that.
We had lots of fun
there. My friends also
came in. I'm also thankful
for that. We ate chicken
wings and drank soda. You
know what I'm thankful
the night is the
community! I care about it
because who ever made
these things the people
I am thankful for. S2
