what I am Thankful For

I am Thankful for my neighborhood because they do many things for me and my Family. For example they always baby sit me. Also when they have something they share with me. Sometimes they buy me what I want. Also they give me money in my holiday and on my birthday they give me presents like Xbox and toys. I am Thankful for my Family because sometimes they help me with my homework. They buy me shoes and buy me MacDonald. They take me to the park and when I am sick they take care of me and they treat me like a son. They have fun with me. They feed me and they also buy me cake on my birthday. They teach me math when I am having trouble with my homework. This is why I am Thankful for my neighborhood and my family.
