I am thankful for my mom
because she always plays
with me and we go to lots
of places like Cuke Cheese and
We Toy Rous and Sixflags,
downtown and next we went to see a
movie called Big Hero Six. I am thankful
for my community because I go to
lots of places like the mall, School,
Airport, movie theater, Cuke Cheese
and Super market.

This is why I am thankful
for my community and people.
