I like thanksgiving because Onthanksgiving you are thankful for your family. An Example is you are thankful for having a roof over your head and having turkey for dinner and having cousin's, brother's and nephew's come to your house. After that, you can play with your cousin's nephew's and brother's. For Example you could play tag, hide and seek and play Football with your family and friend's. Also, you and your family can talk about what you are thankful for and you can have a sleepover with your family and share your phones and toys with your family and friend's. Also, you get to spend time with your grandma & grandpa. Also, you can be thankful for the people who serve our country. or ~~per~~tant's that risk there life for America. Know you now why thanksgiving is the best holiday ever.
