What I am thankful for.

I am thankful for many things in life. One thing I am thankful for is my family because when I feel sick they make me feel better. I am thankful for my family because I do what my family says. They give me food to my plate everyday. I am thankful because I learn new things everyday. Being thankful is good because you care about stuff. I am thankful for my shoes and jacket for winter. The last thing I am thankful for is that when I am absent I do my homework, that is why I am thankful.

I AM THANK
