Why I am Thankful

By: Jessin Able

This year I have become more thankful because of a few

things. For example, life, family, and God. These are some things I am thankful for.

I am thankful for life because if I didn't have life I wouldn't be alive and I wouldn't be able to do stuff. I wouldn't learn or have friends. Also I wouldn't have a family if I didn't have life. So I am thankful to have life.

I am thankful for my family because I have people to support me. Also, I didn't have family I would be alone. I wouldn't go to school or learn. So I am thankful for my family.

I am thankful for God because he has given me everything important.

Jessan Abie

For example life, joys, family and shelter. I also am thankful for God because he helps people. Also, he forgives. If God didn't forgive everyone will be in a lot of trouble. So I am thankful for God.

These are Three things that are important because I need them all to survive as I get older. Life, family and, God is 3 important things I need and I am thankful for them.
