

What am I thankful for this year?

I am thankful for a lot of the things I have because some of the children in this world don't have. That makes me feel like one of the luckiest girls in the world. I love my life. I am thankful that God made me and that my family takes care of me. I am thankful for my family, not a lot of families see each other and most importantly gather all holidays. So, therefore I'm grateful for the loving family I have.

I am thankful for my good health. I'm also thankful for my education. I attend a Catholic school where I have great teachers and friends. I've been going to a Catholic school since I was 4. I am blessed to have that opportunity.

I am thankful for my friends. They care about me. I have a strong relationship with all my friends. I'm thankful for them because they always put a smile on my face.
