This year I am thankful for having Mrs. Boyd
and Mrs. Alcera as my 4th grade teacher!
I am also thankful for having a good friend
like Xiomara! Someone else I'm thankful
for is my amazing and nice student
teacher Miss. Gomez. A last person I am
thankful for is my other teacher Mrs.-
Sommer! The most important thing that
I am thankful for is being in my amazing
4th grade class!!

I am thankful for my family and friends. I am thankful for my friends and family because my family takes care of me. For example, they make breakfast, lunch, and dinner. I'm thankful for my friends because I have them to play with every day. For example, my friend Niall came to my house for three hours last week!

So, this is why I'm thankful for my friends and family.
