

## Thanksgiving poem

This year I'm thankful for my new school  
My teachers are really cool!  
I'm thankful for my new soccer team  
Who tries their best and has a dream  
To win a challenging tournament  
And to always be determinant  
In the hardest times  
And, in the good times  
I'm thankful for my mistakes  
I learn from them, and get better grades  
I'm thankful for my family  
The most important, for me  
I'm always thankful for a great Thanksgiving  
With cheering and singing  
For anything you thank for  
And make it happen much more
