

Thanksgiving Day Creative Celebration

What are you thankful for this year?

I am thankful for my family because I have a nice family. I'm also thankful to God because he is giving us healthy and delicious food. Also, he is protecting us from the bad things that some people do to us and that's why I thank God.

I also thank my teacher Mrs. Figueroa-Alvarado because she is keeping us safe in our classroom and protecting us from bullies in our school because there's already people that likes bullying the little kids. I also thank the principal Mrs. Toledo-Guerrero and the police office Ms. Rowe because when someone mean or a killer man comes in the school. They work together because we have a speaker and the police officer or the principal can tell us from the speaker that all of the students stay inside their classroom until we are safe to come out. That is why I'm thankful to all of them in P.S. 25.

I'm also thankful for my friends because when I don't have snack, they give me some of their snack. That's why I'm thankful for my friends.

Finally, I'm also thankful to God for letting my family stay another year in New York City where I'm learning how to speak and write my second language that is English because I could speak Garifuna and Spanish. I'm becoming a Bilingual Speaking Person.
