*What I'm Thankful For*

Something I'm thankful for is my coaches. I'm thankful for my coaches because if it wasn't for them, I wouldn't be as athletic as I am now. Also if it wasn't for them I wouldn't be able to go to places to play baseball. This is what I'm thankful for.

The people I'm thankful for are Marc, Luis, and John for helping me with baseball. I thank Marc because he is my overall coach. Marc is the one who pays for everything. He pays for our tournaments, practices and our field permits. Best of all, Marc is the one who gets us better. He tells whether or not what we are doing is right or wrong and if something is wrong he shows us what's right.

Another coach I'm thankful for is Luis. Luis pretty much does the same thing as Marc except I think he is the overall coach of a younger team. The last baseball coach I'm thankful for is John. John is my and many other players batting coach. He is also the one who motivates us and tells us that we are good enough to beat any team.

The last coach I'm thankful for is Billy Thanapoulos. Billy is my football coach and he has led us all the way to the playoffs. It takes a lot of work to be a football coach. Making all the plays and stuff. These are all the coaches I'm thankful for.
