

What I am thankful for.... by Christian Danzilo

I am thankful for my family and football. My family members are my sister Cameron, Dad, and Mom. My sister is funny, smart for her age, active, and sweet. My Mom is intelligent, humorous, and careful. My Dad is thoughtful, brave, and loving.

On my football team, we play great. We are undefeated because we play good. We get a lot of touchdowns because we have a lot of fast players. On defense we get past the linemen and get a tackle or make a sack. I love my family and football.
