

## "I Am Thankful"

To me, thankful means to be kind and think about others. I am thankful for my dog, Tank, because he is cute and huge. He plays and wrestles us. I am thankful for my dad because he plays football with me. I am thankful for my home because I can be protected from the weather. I am thankful for the snow because I would not be bored and I can play outside.

I am not thankful for animal abuse and trapping. Another reason is when people do not obey the laws because children may be put in danger.

As you can see I am thankful for something's but some things I am not thankful for.
