

Miah Johnson

10/6/15

I am thankful for my family. My dad makes me happy. My mom because she helps me cook. My school because of the teachers. I'm thankful for my friends. For the teachers ow teach Math, ELA. My dog Toby and my cat. My sister because she is funny. When I'm sad or scared my cat and dog come to me. My teachers are cool. I hope people have a family and a school like this.
