

Haleigh Brown

I am thankful for my family because they are special to me and nice. They support me when I am sick or sad. I am thankful for my life because so people do not have changes to live. Some people do not have money to support their family with food, drinks, and a home to live in. I am thankful for raising money for people that have cancer. I am thankful for my pets my dog she is 91 in dog years. My puppy is 11 months old his name is Buddy. I am thankful for my bunny.
