Jonathan Palanza

Im thankful for the weekend.

Im thankful for the weekend because i get to go places and do things. i get to go paintballing and to football games. i also get to hang out with my friends. I'm so thankful for having an xbox and a computer. Im thankful for that because if i get bored can do something. Im mostly thankful for having technology.Im also thankful for having a house. If i didn't have an house where would i go to live . Im also thankful for the family i have. I could've had a different family who was mean and cruel. But i have a nice family and even though we fight sometimes they're the best.
