

Jayden Wight

I am thankful for my family and the food that they give me. I'm also thankful for my uncle because when I am sad he will talk to me and make me feel better. But what I am really thankful for is my mom and dad because when I fall they help me and when I am sick they take care of me. The last thing I am thankful for is my warmth my parents work hard to keep me warm so we don't have to be cold.
