

I'm Thankful for

I'm thankful for my grandma because she takes care of me and she makes sure I'm safe. I'm also thankful for my grandma because she makes sure I'm warm in winter and she makes sure I eat. I'm thankful for my friends because they hang out with me and they sit with me at lunch. I'm also thankful for Leann because she asks me to help her when she gets stuck and she cares about me. I'm thankful for my grandpa because he gives me Christmas presents and he cares about me. I'm thankful for my dog because she is always happy when I come home from school and she loves me. I'm thankful for my mom because she helps me with my homework. I'm also thankful for my mom because she stays the weekend to spend time with me. I'm thankful for Victoria because she tells me what you do in junior high and where you will be going to.

Love, Rose Mills
