

I'm thankful for my family and friends. I'm thankful for all my stuff I have, such as, my phone, laptop, and items like that. I'm thankful for my mom buying my family and food clothes and shoes if I was not thankful I would not have none of my stuff that's why it's in portent to be thankful even if you don't like something. I have a lot of reasons to be thankful for my family and friends. I'm thankful for my sister's because they take care of me. I'm thankful for my dad because he brings me places like, fishing, park, dinner; he spends a lot of time with me. I love to be thankful because you get a lot more throughout in your life.
