

“Things I’m Thankful for”

To me “thankful” means what you love and what you are happy to have.

One of these things I’m thankful to have is my family. I’m thankful for my family because they are fun to play with. They will also always be there when you need them. When you fall down they will always be there to pick you back up again.

I’m also thankful for my cat Jack. He got his name because he looks like a jack o lantern. I love him because he is cute and playful. I love to play with him, especially when I’m down. He is also really fluffy. When I hold him I feel like I’m holding a cloud.

I’m also really thankful for my dogs Zena, Mia and Molly. I’m thankful for my dogs because they are what keep me cheerful when I’m down in the dumps. My dogs are also my best friends. If I need something to do outside I let them out with me.

I’m thankful for animals because animals are my life. If animals didn’t exist I wouldn’t know what to do with my life. To me animals are awesome. Some of my favorite is, Horses, cows, dogs, cats, turkeys, deer, geese and fish. These are some of the things I’m thankful for.
