

## "I Am Thankful"

To me, the term thankful means I am grateful for what I have.

I am thankful for my cat, I like when he attacks my hand. My cat's name is Sue, he is nine weeks old and he is black and white.

I am thankful for the food I eat because I love different kinds of foods. In fact, my favorite food is tacos.

I am thankful for my friends because they make me laugh when they tell jokes.

I am thankful for my family because they remind me of fun times in the past and make me laugh. For example, on the way to the movies my family reminded me of great memories of the past.

As you can see, I am very thankful for everything I have.
