

“I am thankful for”

I think “thankful “means to be glad of what you have. One of the things I am most thankful for is my family. We have fun together and go to fun places like Get Air. Another thing I am thankful for are my pets I have 11 of them: 1 dog, 1 fish, 4 cats, 4 guinea pigs and 1 chicken. My pets are so much fun to have and to play with. I am also thankful for my house because it keeps me warm and keeps all my belongings dry. It might not be the best, but it’s ok for me. The last thing I am thankful for are the people that came before me because we would not be the same without them. Life would not be the same the world would not be the same. So as you can see, I am thankful for many things.
