

Thankful for

I am thankful to be Me Teni.
It is fall and the leaves are
falling.

I am thankful it is almost
winter.

I am thankful for the earth.

When it is winter, it gets cold.

I am thankful to have a family.

I am thankful for my new
school,

I go to school to learn.

I am thankful for the pool.

I love to swim.

I am thankful for God.

I am thankful for the whole
entire world.
