

Teachers: for providing me with knowledge.

House: for keeping me warm when it rains or snows.

A family: for taking care of me and supporting me.

Nature: for giving me food and many resources.

Kind people: if everyone was mean it would be a terrible world.

Food: for stopping me from starving to death.

Un: if there was no fun in the world everything would be very boring.

Love: if there3 was no love then no one would care about eachother.
