

What I am thankful for

I am thankful for my family. I am thankful for my family because my parents do everything they possibly can for me. My family has been through ups and down. My sister passed 11 years ago, my cousin 5 years ago, grandma 3 years ago, and grandpa a couple months ago. My family does everything they can to make me happy. My mother is a stay at home mom who bends over backwards for all of us. I have 5 siblings and 2 dogs who are very happy. My dad is a landscaper. He leaves for work at 7 am and come home at 6pm. He leaves with a smile, and comes home with a smile. My family tries there hardest to be the best. They give us money whenever we need it, they buy us clothes, food. Every night I come home to a meal on the table. I am oh so thankful for my family. I know they will never let me down, and I wont either.
