

Thankful Essay

Since Thanksgiving is getting closer I thought I might stop for a second and think about the things I am thankful for. I have a lot of things I am thankful for. One of the things I am thankful for is my family. Another thing I am thankful for are my sports. Another thing I am thankful for is my house.

In my family I have a sister Isabella, Mom Meggin, Dad Jeremy and three pets. I have a dog and two cats. My dog's name is Apollo. My cat's names are Grundy the gray one and Shadow is the black one. My family is very nice to me.

The sports I play are soccer and basketball. I play for two teams in soccer. I play for Washingtonville and for Newburgh. For basketball I got asked to play for a travel

team. The position I play for soccer is striker and midfielder. For basketball I like to play point guard or shooting guard. Soccer is my favorite sport.

My house is so big and pretty. I have a pool, a pool house, an attached apartment, a living room and more. My house is on a hill. I have a humungus backyard and a decent front yard. I have a lot of landscaping.

If I didn't all of these things my life would not be complete. If I didn't have a family then who would take care of me? If I didn't have a house I would be homeless. If I didn't have sports then what would I do every night? Sometimes we should think back about these things and be thankful for them.
