

What are you Thankful For?

I'm thankful that I have a daddy.

I'm thankful that I have a mommy.

I'm thankful that I live in a country where we have enough food to eat.

I'm thankful that I'm healthy and that I don't get sick much.

I'm thankful that I have clothes to keep me warm.

I'm thankful for the military that fights for our freedom.

I'm thankful for my teachers that help me learn new things.

I'm thankful for my nana who helps me feel better when I'm upset.

I'm thankful for all my grandparents who love me.

I'm thankful that god watches over me.
