

I am thankful for my dog **Scotty** because she gives me company when I am alone. She is fun to play with.

Things I'm Thankful For

I am thankful for my family because they are always there for me, especially when I'm sick.

Another thing I am thankful for is my friends because I can invite them over to play and have fun at my house.

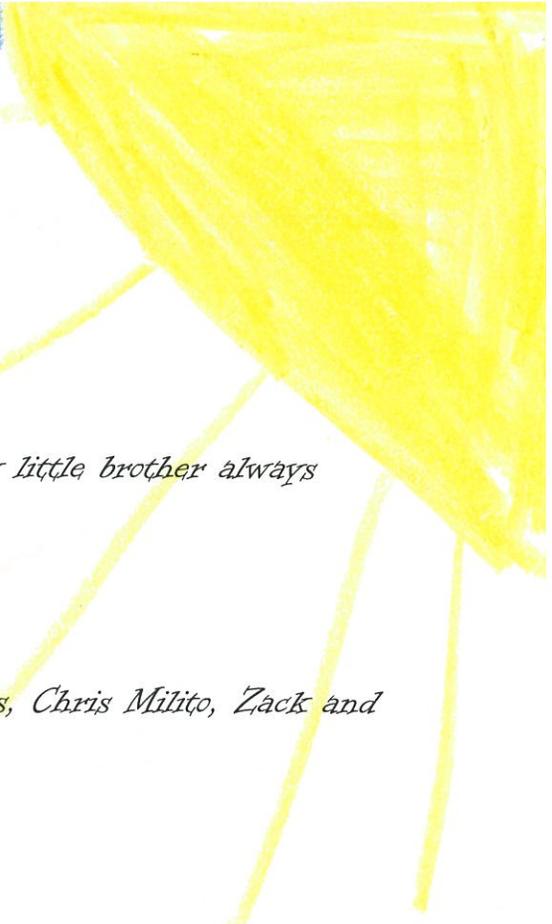

The last thing I am thankful for is food because most people don't have enough. We are lucky to have it. Those are the things I'm thankful for.

What I am Thankful for

Isabella Vieni

I am thankful for my family. Here are the reasons. I am thankful for my mom because she makes me delicious food. Dad helps when I am sick, because he works from home. My brothers help me with my school work.

I am also thankful for my friends because they are always there for me when I am sad. They make me laugh. They also give compliments.

I am thankful for my school, because I learn and have fun there. I also see my friends, and my teachers are helpful.

Things I am Thankful For

I am thankful for my family because they take care of me when I am sick, love me, and never give up on me.

I am also thankful for my friends because they let me borrow things, make me laugh, and don't bully me.

Next, I am thankful for my gymnastics coach because she knows when to spot me; tells me when to keep going; and never gives up on me.

Finally, I am thankful for my soccer coach because she tells me how to get better; she is happy when I get a goal; and she teaches me new things.

Those are the things I am thankful for.

My Parents

By Christopher Rossi

I am thankful for my parents because they help me with my homework. They also support me in soccer and sign me up for things. They always give me good advice and get me through hard times. They take care of me when I'm sick and take me places. That is why I love my parents and I think I'm very lucky to have such good parents!
