This Thanksgiving I am grateful for many things.

This Thanksgiving I am grateful to have no reason to leave this world.

This Thanksgiving I am grateful to have hope in my dreams coming true.

I am grateful to be able to walk and run and have fun anywhere without
danger in my way.

This Thanksgiving I am thankful for fear not being in my way.

this Thanksgiving I am very grateful and thankful to have a roof over my
head, and to have healthy meals every day.

This Thanksgiving I am thankful and grateful to have loving parents who
always want me to be better and better.

I am grateful to have an education and medication.

This Thanksgiving I am grateful to live a life without war.

I am grateful to see my friends and my family every day of the week.

This Thanksgiving I am grateful to be alive.

This thanksgiving.
