Thanksgiving is a special time for people to get to gether with their family . I am thankful for my family and especially for my mom and dad.

I am thankful for my mom because she cooks for me and my family, my mom also drives me to school. I am thankful for my dad because he goes to work for me and my family. I am thankful that my baby cousin because it's the third girl in the family and when she gets older we can all go to the movies and get our nails done. I am thankful to be able to go to my nonna's house. I am thankful for that because i love my family and i love to see them.

I thankful for those things because some people don't have families and food on their table every day. So i'm thankful for all the things like , on thanksgiving me and my mom cook for our whole family. Me and my cousins love to write poems and perform for our family. I am also thankful that my mom and everyone in my family loves me , HAPPY THANKSGIVING

WHAT ARE YOU THANKFUL FOR ????
