WHAT I'M THANKFUL FOR

I'm thankful for my family and my friends. They help me out on so much stuff in school and at home. My family helps me out on homework and lots of other stuff. My friends look out for each other once in a while and it keeps everybody comfortable.

I'm thankful for my pets because when I'm bored I have fun playing with them. I'm also thankful for all the wonderful stuff that is in the world.
