What I am Thankful for

There a lot of things I am grateful for but some of them are my mom, my friends, my grandma, and the people who made pizza.I am thankful for my priest. I am thankful for my teachers. I am thankful for my life. I am thankful for school. I'm thankful for my mom because she takes care of me when I am down or not feeling good. I am thankful for my friends because they are always there for me. I am thankful for my grandma because she also takes care of me when i'm down or don't feel good. I am thankful for the person who made pizza because pizza is my favorite food. I am thankful for my priest,because he baptised me. I am thankful for my teachers because they teach me what I know. I am thankful for my life because I have done some amazing things in my life. I am thankful for school because it lets me have fun, make new friends, and it teaches me things at the same time.
