

What I am Thankful for

This year I am thankful for my family. I am thankful for my family because they always support me in everything I do. They also cheer me up when I'm feeling sad. Also, my mom always help me even when she had a broken ankle. My dad is an awesome inspiration to me he's a loving parent and he is always there to catch me when I fall.

I am also thankful for my education. I am thankful for my education because without school no one would learn anything . Also, the whole world would be a bunch of dummies walking around. Everyone should be thankful for their education as well . If there wasn't any school no one would know anything and everyone wouldn't have a clue what anything is .

Another thing I'm thankful for is my friends . Some of those friends are Ally Messler she is a kind person , she is nice , awesome , silly and the bestest friend you could ever ask for. Kaitlyn Laino she is silly , fun , crazy , cool , and pretty. Ava Giambrone goofy , smart , skinny , and beautiful. Last but not least Isabella Conte she's quirky , adorable , awesome , and cool.
