

Our Lady Queen Of Peace

Thanksgiving is coming and I am thankful for my mom and dad because they help me with my Homework and got me a great education and I just know they love me to death and that me and my sisters are the first thing that they think about when they wake up in the morning and the last thing they think about when they go to sleep at night. They buy us things like toys and other stuff we do not need and just by doing that I know that they love me.

What I am also Thankful for are my sisters because, well I know that they love me and i love them. Sometimes when my mom and dad are out my sisters always watch me and my younger sister. I am the 4th child out of all 5 of us. I always play with my little sister if I did not have her I do not even know what to do. I love my sisters and I know that they love me.

And last but not least I am thankful for my Grandparents. I have 4 amazing grandparents. I have one grandma and grandpa a great grandma and a yia yia. yia yia means grandma in Greek. My grandparents love me and take care of me. I know they will not be around for a long time but I love them
