What I'm Thankful For

I am thankful for friends because we have a lot of fun and we do crazy things together.

I am thankful for my family because by my side except for my family. I'm also thankful for pets because they are fun and nice. I'm thankful for video games because they are really fun.

I am also thankful for school so I can learn about new things and be smart. I'm thankful for sports to because they are really fun and they distract me when i'm bored.

There some other things I'm thankful to like TV. I'm also thankful for holidays,like Christmas. I'm thankful for food and water because they keep me alive. I'm thankful for money so I can buy a home,food and water. I'm also thankful for books because when I am bored they distract me.
