

What I am thankful for

I am thankful for many things. The first thing I am thankful for is thanksgiving. Our cousins, uncles, and aunts come up. Then I am thankful for my aunts because they make the food for the party. After that I am thankful for the uncles because they hunt deer for meat. Next I am grateful for the cousins because they keep me occupied. That is why I am thankful for thanksgiving. Next I am grateful for my family. I am thankful for my sister and cousins because they play with me when I am bored. Next I am thankful my aunts and uncles because they get gifts for me. I am appreciative for my mom and dad because they cheer me up when I am sad. These are some things I am grateful for.
