What I'm thankful for

I am thankful for many things. The First thing I am thankful for is soccer. I'm thankful for soccer because it's my favorite sport. I'm also thankful for soccer because I play it. Soccer also keeps me occupied. My dad coaches Varsity soccer for Lowville Centrel school. I like soccer because it's a exercising sport. In my opinon it's a fun sport.

Then,another thing I'm thankful for is my friends. I'm thankful for my friends because they both like and play soccer too. Some of my friends are Simeon Rush and Trey Smith. Simeon also shares his snack with me and plays with me after school sometimes. I'm also thankful for my friends because they both play kickball with me. That's what I am thankful for.
