

**I am thankful for many things**

I am thankful for my family. The first reason I am thankful for them is they help me do things like homework. The next reason I am thankful for my family is they help me when I get hurt. The other reason is they feed me awesome foods. The last thing is they help when I get sick. This is why I am thankful for my family.

The next thing I am thankful for are my pets. The first reason I am thankful for them is they cheer me up. The next reason is that my dog cuddles with me when I am alone. I am also thankful for them because they let me pet them when I am sick. The last reason is they play with me. These are the reasons I am thankful for my family and pets.
