This time of the year is very fun and joyful and we get to share what we're thankful for. I'm thankful for my parents, Mr. Martelli's shop, and my home . My family has 7 members in it. I'm thankful for my mom, dad, Malcolm, Myles, my dog and cat. I'm thankful for my mom because my mom gets me up in the morning, makes me breakfast and makes sure I take my vitamin. When I get home she helps me with my homework. My mom loves me very much. I'm thankful for my dad because he plays with me and teaches me sports. He also makes me good snacks and dinner. Lastly, I'm thankful for my home. My home is big and comfortable. My room is pink and purple. I have a lot of my awards hanging on my wall to remind me of all of my accomplishments. I also have all of my trophies on my window. When I'm not playing soccer, basketball, or cheering for a football game, I like hanging out at home with my family especially on movie nights. Sometimes we play dominos, too. I know that I'm very luck because there are many people that do not have a home to live in.

In conclusion, I'm very thankful for all of my family members. We have fun with each other and love each other. I'm thankful for Mr. Martelli's shop that keeps me in the latest soccer gear. Lastly, I'm thankful for my home, a place that I can go everyday and be happy and warm.
