

HAPPY  
THANKSGIVING

## JILLIAN PARRINO

What I am thankful for in my life is the game of golf. I am grateful to be able to play golf. It's my passion! I love the game and believe it's just like life. As in life and in golf you need to be honest and have integrity, respect, confidence, responsibility, and courtesy. All the necessary qualities needed to play golf are essential for a great life!
