

CAITLYN SEAROR

10/29/15

When I think about all of the people that don't have a place to live or that are hungry. I am thankful for all I have.

THIS IS WHAT I'M THANKFUL FOR.

I'm thankful for the roof over my head. I am also thankful for my family I love them because they love me. I am very grateful for friends and when we hang out.

THESE ARE ALL OF THE THINGS THAT I THANKFUL FOR!
