

Thanksgiving Poem

Dear God:

**Thank you for my parents,
who care for me so much,
Who feed me, clothe me, and talk to me
and give me so much love.**

**Thank you for my family,
who always play with me.
They're always there to cheer me up,
they keep me company.**

**Thank you for this school,
where I learn, and laugh, and play.
The members here are great,
they bring me joy everyday.**
