*Things I am thankful for...*

*The things I am thankful for are great. I am thankful for my family. I am very thankful for food. A third thing I am thankful for is video games. Those are the things I am thankful for.*

*I am thankful for my family. I am thankful for my family because they help me get through tough times. They also help me with homework and sports. That is why I am thankful for my family .*

*The next thing I am thankful for is food. I am thankful for food because without food we would die of starvation. Also, I like food because they have many types of food like cherries, pineapples, and pizza. I also enjoy fish like salmon, catfish, and shark. That is why I am thankful for food.*

*The last thing I am thankful for is video games. I am thankful for video games because there are so many different types of video games like Minecraft, GTA 5, & Advanced Warfare. And there are pcs, consoles, tv's, and movies. That is why I am thankful for video games.*

*Those are some things I am thankful for in my life. Family, food and video games are important to me. I like to tell people for what I am thankful for in my life.*
