What am I Thankful for?

To be thankful means to be grateful and appreciative of something. During Thanksgiving we as families sit down at the table and appreciate what we have. If you dig deep down inside I'm sure you'll find what you're thankful for.

I am thankful for many things, too many things that I can't even name all of them. One thing that I'm thankful for is a family. Without my family I wouldn't know where I would be today. I need someone to guide me, to protect me and to love me. I'm thankful for having a chance to go to school and to learn many things that will help me in the future. I'm thankful for my friends because they always have my back when I need it. Another thing that I'm thankful for is food and clothes because many people don't have a proper meal or clothes to wear. One last thing that I'm thankful for is good health. Many people in our community are not as fortunate as my family and I; some people are sick or have diseases.

In conclusion, many people may not have what you have so, take time to be thankful for that. What will you be thankful for this Thanksgiving year?
