

## What Are You Thankful For?

I am Thankful for my family because I like spending time with my grandparents and playing video games with my cousins. I am Thankful for my Grandpa because I like to help him with the yard work and I like to help my Great-Grandma around her house too. I am Thankful for my mother because she buys me things and loves me very much. I am Thankful for my aunt because she helps me with my homework even when I forget to bring my books home. I am Thankful for having a place to live and food to eat. I am Thankful for being apart of the Young Men of Distinction Program because it helps with group mentoring in social skills and it will help me become a better person.
