

What I'm thankful for!!!!

By Vera Butchko.

I'm thankful for the stars and moon, for birds that sing and flowers that

Bloom

I'm Greatful for my two pet Dogs, Molly's real old and Lucy's a hog

I'm thankful for my Mom and Dad, they are always proud it makes me

glad

I'm thankful for the books I read, mythology, adventure and mystery

My brain grows stronger with every word, I'm very thankful for my

Teachers, I love to learn!!!!

I'm thankful for the music I hear, it makes me smile from ear to ear, I

love to dance I love to sing, if you asked me what I love about music I'd

Simply tell you the word, " EVERYTHING"

I'm thankful for my bed I lay, and god who always hears me pray

Most of all I have to say I'm thankful for my life each and every day
