I'm thankful for my family because some kids have foster parents. I'm also thankful for my clothes and shoes. Also I'm thankful for my friends and I'm thankful that I can go to school. Especially that I have a roof over my head, food, water, and a mom and dad. Also I'm thankful for my tablet, and my phone. I appreciate that I have people who love me, and that I know how to read, talk, and write. Another thing I'm thankful for is that I have trust from my teacher, parents, and friends. Last but not least I'm thankful that I have a dog!! That's what I'm thankful for.
