

# What I am Thankful For

By: Rosalie Mongello 6th Grade

I am thankful for many things,

**I am thankful...** for my health because without it my parents would be poor from all of the medical bills and they wouldn't be able to take care of my siblings.

**I am thankful...** for my family because without them I would be alone. My pets are also family to me, so I am thankful for them for putting a smile on my face.

**I am thankful...** for the food and water I get and the house that I live in and my Mom and Dad who pay for it.

**I am thankful...** to live in America "the land of the free" so i can study my own religion and go to school and for all the soldiers who fought for that and that are still fighting for us right now.

**I am thankful...** for my friends and teachers I have at school to be so funny, kind, and being so great.

**I am thankful...** for my parents for loving matter what happens.

**I am thankful...** for being here on this planet with these amazing things!
